WALL MOUNTS

Multilink wall mount enclosures are designed to provide connectivity and distribution solutions. Enclosures are divided into several groups to meet application specific requirements such as Construction Grade, Single Door, Dual Door, Added Security, NEMA 4 and NEMA 12. Products with your customized logo are available for OEM or other applications. Units are available in standard Black or Off White unless specified.

FEATURES & BENEFITS

- Durable Steel or Aluminum with a polyester powder coat finish in either standard Black or Off White
- Individual compartments for separation of network and distribution terminations
- Wide range of sizes and feature sets to accommodate specific application requirements

- Easy to install, load, and maintain
- Available with loaded termination panels and pre-connectorized pigtails
- Durable construction
